ii. Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

Webster Parish Housing Authority is pleased to submit the annual plan for year 2002. Our Section 8 Housing Program anticipates the year of 2002 to be very successful. We feel that our agency is meeting the housing needs of low income families in our parish jurisdiction. Most portions of the annual plan are the same. Some changes are noted in Section 1. "Summary of Policy of Program Changes for the Upcoming Year."

We continue to network with local agencies and organizations assisting homeless and dislocated families. We feel that our local preferences reflect the housing needs expressed in the LA Consolidated Plan. We continue to network with the American Red Cross, local LA Office of Family Support, Webster Parish Child Welfare and Protective Services, Mental Health offices, Volunteers of America, Health Care for Homeless Veterans Program, local school board office, local law enforcement agencies, Christian shelters in our parish and other social offices.

Our Section 8 Housing Staff and Family Self-Sufficiency Coordinator have joined the local Community Network Organization. Monthly meetings are held with each focusing on one of the social agencies present. Participation in this group has broadened our awareness of the needs of clients and services available in our area.

We look forward to the possibility of forming a Section 8 Homeownership Program in the upcoming year. USDA has contacted our office expressing interest in a Voucher homeownership program for first time homeowners. At this time we are gathering information needed to present to our Board of Directors.

With three graduates in the year of 2001, we feel that our Family Self-Sufficiency Program has been very successful. Two of the graduates used their final escrow disbursement toward a home down payment. A new FSS Coordinator was hired in April 2002. She has attended FSS training and is doing a tremendous job promoting the program to clients in both Webster and Claiborne Parishes.

We look forward to helping families and to further promote fair housing in the upcoming year.

1. Summary of Policy or Program Changes for the Upcoming Year

In this section, briefly describe changes in policies or programs discussed in last year's PHA Plan that are not covered in other sections of this Update.

In accordance with HUD regulations, all tenants have been merged from Certificate to the Housing Choice Voucher Program as of October 1, 2001.

The Family Self-Sufficiency Program is showing much success with our housing participants. Following newspaper publication for one of the graduates from the program, tenants have shown must interest in the program. The two parish FSS program continues to grow, as enrollment continues.

Our parish housing program and FSS program will continue to be active in community events in order to promote our programs. We have joined the Webster Parish Community Network Organization that holds monthly meetings, focusing on different social services available in our area. We will participate in a Webster Parish Resource Fair next year. Also the Shreveport-Bossier Service Connection program will be holding monthly luncheons promoting social services and programs available.

The Webster Parish Housing Authority has not exercised the option for a homeownership program to date. Our office has been contacted by the local USDA representative, Mr. Tony Matlock. He is very interested in a possible partnership of our Section 8 Voucher Program and the USDA's first time homeownership program. Our agency would refer clients to the USDA, who would act as the landlord and accept monthly payments from our agency toward the monthly mortgage for the family.

We are working on an action plan of the USDA partnership to present to our Board of Directors. As many tenants have expressed interest in purchasing a home, a homeownership program may become a reality for Webster Parish Section 8 Voucher holders in the year 2002.

Last year we received a comment over concerns of differences paid in rent with the new Housing Choice calculations. In order to give our tenants better housing choices, we have elected to increase our payment standards to 100% of the current FMR.

Our waiting list is still closed to new applications. As of September 1, 2001, there were 139 applicants on the waiting list for Section 8 Housing. Of these families, there are 2 elderly families, 5 families with disabilities, and 132 families with children.

The families race statistics are: white, 34 families and black, 105 families.

95 of these families are within the extremely low income limits. So far this year, 47 new families have been leased up from the waiting list. Many of the new clients have requested portability transfer to another housing authority.

Our SEMAP scoring for the year 2000 was 87%. This was due to a 0% scoring factor for correct tenant rent calculations submitted to MTCS. All errors are corrected and re-submitted to MTCS. We are expecting the new PIC/MTCS web site to be operational soon. Our computer software company is in the process of working with MTCS to prevent errors and have successful submissions.

Webster Housing Authority is expecting a higher scoring factor for the year 2001 with the SEMAP factors. More detail will be examined for all MTCS submissions.

Local preferences are the same as previously submitted. The preferences reflect the housing needs expressed in the State of Louisiana Consolidated Plan. Targeted income admissions are still above the 75% rate as required by HUD.

Our agency did not apply for additional vouchers with the 2001 NOFA. Due to the cancellation of an agreement between our agency and Minden Housing Authority in May 1999, finding eligible properties outside the city limits of Minden been a more difficult task. We have a greater number of Voucher holders transferring their assistance to the city of Minden Housing Program.

If additional funding becomes available for the Family Unification Program, our agency may apply. Webster Parish Housing Authority receives referrals from our local child welfare and protective workers. After speaking with several caseworkers, they feel that the program is needed in our area.
